THE INTERNATIONAL VILLEMOMBLE TOURNAMENT

After 5 years absence, the Villemomble fencing club (re)organizes the 16th edition of the Tournoi International de Villemomble, one of the major events of the Disabled Fencing circuit in two weapons, Epée and Foil. This competition counts as one of the national classification disabled events. It's also the most important Disabled-Valid International Fencing Competition in Europe.

With around 150 disabled and valid, Men and Women, fencers coming from all over the world, the **Tournoi International de Villemomble** includes the following categories:

- Seniors, Juniors Disabled & Valid Men in wheelchairs.
- Seniors, Juniors Disabled & Valid Ladies in wheelchairs.

WORLDWIDE COMPETITION

First French, the *Tournoi de Villemomble* became international in 2009. First with European nations. Since 2011 it has gone beyond the borders of the old continent by hosting Tunisia, Lebanon, Senegal, Turkey and Algeria.

The *International Villemomble Tournament* is now the biggest European Disabled & Valid Fencing Event where the world's best Paralympic Fencers meet each year.

Throughout the editions, we have welcomed the following nations.

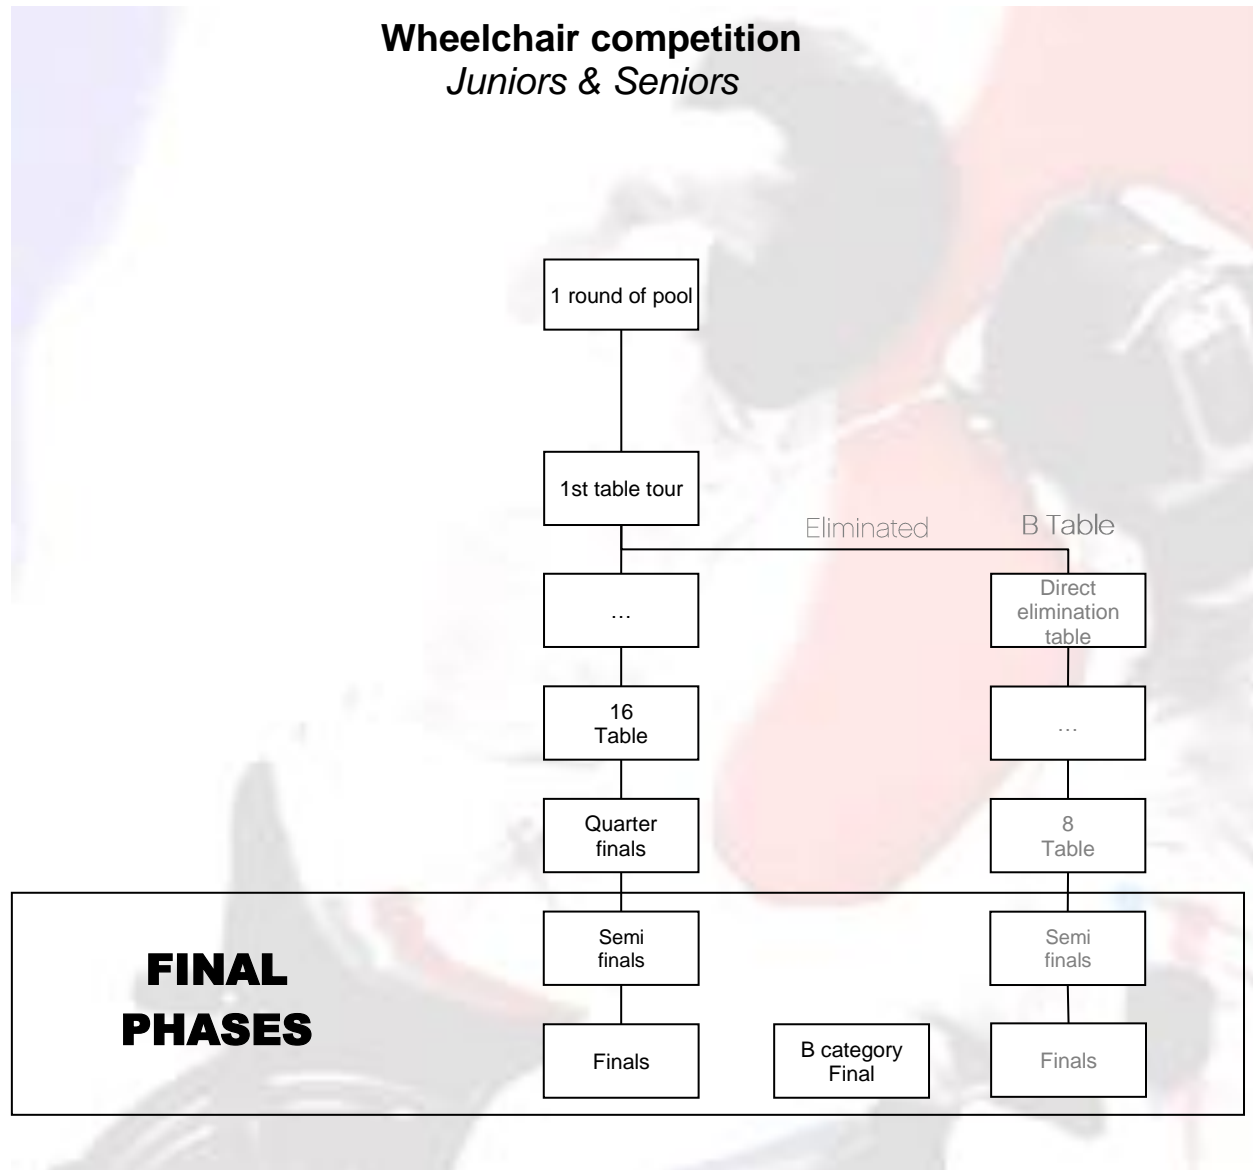

OBJECTIVES FOR 2023

1. Keep the **Tournoi International de Villemomble** as the reference for the disabled and valid fencing competitions in the Europe and probably in the World.
2. Receive until 150 participants:
 - 80 épée fencers: 55 men and 25 women
 - 70 foil fencers: 50 men and 20 women
3. Welcome 10 nations
4. Highlight the Paris 2024 Games by receiving Olympic and Paralympic medallists.

COMPETITION FORMULA

Wheelchair competition *Juniors & Seniors*

Formula must be confirmed by FFH (French Disabled Federation).

THE RULES

Participation

- Only U20 to Veterans fencers will be able to participate in the senior competition.
- The participation of U17 fencers will be decided by the organizer, who will refer it to the corresponding federation.

Licence

- To participate, French fencers must have a valid FFE or FFH license.
- To participate, foreign fencers must have a valid international or national license which provides them insurance which covers for fencing in competition on French territory.
- In case of license absence or non-insurance coverage for the conditions of the competition, the fencer engages his own responsibility.

Equipment and clothing

Clothing

- For FFH (French Disabled Federation) licensees, the 800N uniform is not mandatory.
- For FFE (French Fencing Federation) licensees, the 800N under-plastron is required according to the active sporting regulations.
- For foreign licensees, the regulations associated with the license and / or the insurance conditions apply.
- For women, the FIE lady protection bustier is mandatory.

Mask

- For all competitors, the mask with double security devices is necessary.
- For specific points, refer to the active regulations of your own license.

Mask with electric bib

- For the foil competition, a fencing mask with an electric bib is mandatory.
- The use of the « foil fencing mask with electrical bib » will be tolerated for the Épée competition for fencers who participate in both weapons.

Épée apron and wheelchair

- All disabled fencers have to bring their own wheelchair in order to participate to each competition of the Tournoi de Villemomble.
- All disabled fencers have to bring their own épée apron in order to participate in the épée competition of the Tournoi de Villemomble.
- For valid fencers, épée aprons and wheelchairs will be loaned within the limits of available stocks.

THE RULES (END)

Registration and booking fees, and cancellation.

- Once the registrations will be closed, registration fees will double. The organizer could decide not to apply this extra cost.
- A participant who has not notified his cancellation at least 24 hours before the beginning of the competition will have to pay all subscription fees.
- Any booked service (lodging, meals, transfer) which has not been cancelled at least 15 days before the first date, will be fully due.

Prizes & awards ceremony

- Prizes and rewards will only be given to fencers who will be present on the podium during the awards ceremony.
- No prizes or rewards will be given afterwards and/or to a third person.
- Fencers on the podium will be the first 4 in each weapon (1st, 2nd and both 3^{rds}).
- If no category B fencer is on the podium, a B final will be drawn to decide the winner of the B category among the 2 best B in each weapon.
- The Tournament prize will reward the best fencer in both epee and foil competitions. This classification will mix men and women according to a formula which considers the difficulty, for each, to win each competition (sex and weapon). This difficulty will take into account the number of fencers entered per competition.

Transfer of rights

- By participating in or attending the competition, the participant or the spectator accepts the reproduction and the representation of the images captured directly and edited as a summary or a coverage. This concerns any supports and any methods considered as useful by the organizer (Video-projection, streaming, websites, social networks, e-mails, promotions, public events, files, press releases, newspapers, magazines, etc...). This transfer concerns all forms of images: photographic, video-graphic and sound. It has a promotional, informative, and non-commercial aim. The recordings will remain the property of the organising Fencing club as well as that of its audio-visual partner(s). This authorization and the accompanying rights transfer are granted free of charge, without restriction of territory for a period of 4 years. This transfer does not necessarily entail an obligation to operate.

Referees

- Starting from 4 fencers of the same club or foreign delegation, the club or the delegation has to provide a referee.

These rules can change until the competition starts.

THE ENDOWMENT

The Tournoi International de Villemomble, Juniors & Seniors, will be endowed with around 4000 € in prizes.

Each day

The 4 first in each weapon are rewarded (1st, 2nd and both 3rds)

The 2 best B in each weapon are rewarded.

On both days

The winner of Tournoi International de Villemomble Trophy will be the fencer (man or woman) who will have the highest score combining Epée + Foil.

See the [trophy formula here](#).

Rewards are not cumulative in the same competition by weapon.
